Permission to Evaluate

Dear Parent/Guardian,

To ensure we meet your child's development and learning needs throughout the year, Jordan School District staff will complete regular assessments and screenings of your child's development and learning. These assessments and screenings focus on your child's growth and progress in the areas of social and emotional development, language, vocabulary, early literacy, mathematics, and early concept development. Your child's participation in these assessments and screenings will help us learn how our program can better meet the needs of your child and other children.

Information about your family and your child's scores on the assessments is completely confidential. Your child's name, demographic information and assessment scores will be entered into and stored in a secure electronic database. This database will be stored at the Jordan School District Administrative Offices.

These scores will be used in the following ways:

- 1) By your child's classroom teaching staff to meet your child's learning needs.
- 2) By program administrators and early childhood specialists to identify ways to improve early childhood programs to better meet the needs of all children and families.
- 3) By evaluation staff to report the progress of all children as a group.
- 4) By classroom teaching staff and administrators to address the needs of students and the Jordan Child Development Center.

You and your child are not required to participate in these assessments. If you decide not to participate, it will not affect you or your child's standing in the Jordan Child Development Preschool in any way. You can choose to withdraw your child from the evaluation at anytime. If you have any questions, please do not hesitate to contact your child's teacher or the program coordinator.

Immunization Requirements Early Childhood Programs

Children enrolled in Early Childhood Programs (licensed day care center, nursery or preschool, child care facility, family home care, or Head Start Program) must be immunized appropriately for their age with the following immunizations:

- Hepatitis A
- Polio (*3 doses, if 3rd dose was given on/after the 4th birthday*)
- Hepatitis B
- Haemophilus influenzae type b (Hib)
- Pneumococcal
- DTaP (Diphtheria, Tetanus, and Pertussis)
- Varicella (chickenpox)
- MMR (Measles, Mumps, Rubella)

A child may be allowed to attend “conditionally” if at least one dose of each required immunization has been completed and the child is currently on schedule to finish the series. The remaining immunizations must be completed on schedule for the child to remain in attendance.

An appropriate Utah Department of Health exemption form must be completed for children who claim an exemption for the following reasons: medical (obtain from your health care provider), religious (obtain from your local health department) or personal (obtain from your local health department).

For questions regarding your child’s immunization status, contact your child’s health care provider, local health department or the Immunization Hotline at 1-800-275-0659.

This may be copied and distributed.
